**Warnings given to Competitors**

Weir 200m from boathouse

**Warning:**  
 The river is open to other traffic.  
 Keep right on the way to the start  
 and look out for other boats.

The top and bottom bridges have  
 awkward buttresses.  
 Approach top bridge with care.  
 This is above the start.  
 Take great care  
 racing through bottom bridge.  
 Listen for umpires' instructions .  
 Remember the buttress when  
 approaching the bridge

**Monitor positions**  
 for head races at Saltford  
 New edition: November 2014  
 Please return this plan after use  
 All Monitors except 2 and 10 work on the  
 Saltford Rowing Centre side of the river
