Divisions B and D – short-course

Please note that the crews will race upstream in reverse order.

In division B Crew 52 will go up first and Crew 31 will go up last.

In division D Crew 144 will go up first and Crew 125 will go up last.

When all crews have reached the top of the long reach the finishing line they will immediately turn and raced down with the quads going first.

This arrangement will minimise waiting times this
