Starting Order

Monkton Bluefriars Small Boats Head - Saturday 12th October 2019

All short course crews must boat from Avon.

For the long course, whether boating from Avon or Minerva, please be at the start at least 10mins before the race.

If boating from Minerva, please feel free to boat earlier than the published boating time if you would like longer to warm up - but make sure that you do not interfere with other races.

Any crew late for arrival into the queue will be disqualified - please bear in mind that young crews will be waiting at the start if you are late.
