Section 3 : Public Benefit

The trustees have complied with their duty to have due regard to the Charity Commission's guidance on public benefit in exercising their duties. The following section includes a summary of the distribution of funds and other benefits during the year.

Section 4 :Activities and Achievements

The trustees are pleased to record the continuing support received by the trust from a large number of former members of Monkton Combe School Boat Club, many of whom give regularly to the trust by means of Gift Aid donations. These regular gifts enable us to plan our grant making at the beginning of each year. We also receive occasional donations from members of local rowing clubs who wish to support rowing amongst children in their clubs. The trustees bear these wishes in mind when making grants to the junior sections of these clubs.

Donations amounted to **£11,036** this year.

Summary of Grants made

Financial support to rowing **at Monkton Combe School** amounted to: **£7,011**.

The trust provided the school with rowing equipment amounting to **£3,000**.

The trust paid costs of crews attending events amounting to **£0**.

Athletes attending the main annual training camp pay for the majority of expenses involved. However, if an athlete would be prevented from attending for financial reasons, the trust pays up to 100% of the bill. The total net support given this year was **£4,011**.

The trust supported rowing **elsewhere** with grants totalling: **£2,375**

The trust paid expenses of athletes representing England: **£2,275**

The Tom Mildinhall Prize, worth £100, given in memory of Lt Tom Mildinhall, who was killed in action in Iraq, was awarded at a cost of: **£100**

Encouragement

Much of the work of the trust is not financial. The trustees aim to help in practical ways, eg by coaching, supporting and helping with the administration of rowing activities, both at Monkton Combe School Boat Club and in neighbouring clubs with junior sections. Many local children have been encouraged and inspired by work done by the Great Britain athletes who are trustees, Rowley Douglas MBE (Olympic Gold Medallist in 2000), Steve Williams OBE (World Champion in 2000 and 2001, 2002, 2003, 2005, 2006 and Olympic Gold Medallist in 2004 and 2008.) and Alex Partridge (World Champion in 2005, 2006, 2009, Olympic silver medal 2008, Bronze medal 2012). All three of these athletes started their rowing at Monkton Combe School.

We organised the annual Monkton Bluefriars Small Boats Head Race in October. In common with other rowing races in the UK, athletes pay to enter the race and profits go to the trust.

We publish an annual newsletter which is distributed widely. The text of the newsletter is put on our website.

Notes about grants at Monkton Combe

The Trust makes a grant to Monkton Bluefriars Boat Club for the annual training camp. The grant allows the club charge some athletes less for the camp, so that athletes that could not otherwise attend are able to attend. Parents who can afford to do so are encouraged to (and do) pay more than their share, to enable others to take part.

Funds were also used to enable boys and girls to take part in several rowing events during the year.

Notes about grants elsewhere

Planning work, support and encouragement for other activities outside Monkton Combe School was undertaken during the year.

We remain committed to help in the development of the new rowing club at Great Marlow School, where a former oarsman from Monkton Combe School is teaching and coaching rowing.

Section 5 : Policies

Reserves Policy

The founding gift, along with several large donations received in later years are treated as capital. Sufficient funds are added to capital each year from income, with the aim of preserving and if possible enhancing investment income. The trustees aim to add tax reclaimed from gifts to the capital fund. When donors request that gifts are to be treated as capital, the trustees bear such requests in mind.

Grant-making policy

Our highest priority is to make grants to individuals and groups who are members of Monkton Combe School Boat Club, to help with training and competition costs. We also aim to make grants to students including children from other schools and clubs. We also give equipment when funds are available.

Investment Selection policy

We consult our investment advisor regularly. He makes the day to day decisions about our investments, and he reports to us. We have so far had no disagreements with his actions.

Review of major risks

Most of the accounting and other work of the charity is undertaken by one trustee (the Treasurer). Computerised accounts are backed up regularly.
